

## **Financial Peace University**

Financial Peace University is a 13-week life-changing program that empowers and teaches families how to make the right money decisions to achieve their financial goals and God's plan for their lives. The course includes practical lessons on eliminating debt, building wealth and giving like never before. FPU can be the most important step a family can take in changing their financial future. It is a "Total Money Makeover". It takes the knowledge from God and turns it into real action in our lives through a step-by-step process. On average, FPU graduates have paid off over \$5,300 in debt and saved \$2,700 during the 91-day program. That's an \$8,000 turnaround in their financial picture. What's even better, for families struggling with debt, the average family or household graduating from FPU is able to become debt free – all debt except the house - in 24 – 30 months. Since its inception, more than 1 million families and individuals across America have attended Financial Peace University. Classes run twice a year.
