7. CHOICE OF SESSIONS:

Please indicate three choices of the session (#1, #2, and #3) for which you are registering. Last year we registered 859 children in our Religious Education Program. Although we will do our best to honor your first choice, session classes depend on the number of available volunteer catechists. We are unable to process requests for specific catechists. Reporting only one choice will not guarantee assignment in that session. If you intend to carpool with another family, **submit both family registrations together** for processing and note the carpooling arrangements below:
